

Are you due for a backflow inspection?

If you are a municipal water customer, your home may be required to have a backflow inspection this year. Letters have been sent out to North Port Utility customers who have not yet submitted their inspection results. To check on when your home is due, please visit:

***This is a list of several backflow certified plumbers in the area who are active in the City of North Port's online portal for backflow test entry. North Port Utilities DOES NOT make any recommendations, nor guarantee the service provided. Please perform your own due diligence when choosing a certified backflow plumber and verify their current professional licensing information.*
