

# Fire Flow Tests

## WHAT TO KNOW

### HOW TO OBTAIN A FIRE FLOW TEST

- Fill out the application form
- Submit the completed form along with a check made out to North Port Utilities for the testing amount (\$140.00).
- A detailed street or property map must be included indicating the two hydrants that require testing.
- Once the check, map, and application are received by NPU, we will schedule our inspectors to perform the test. (Approximately a 1 week turn around.)
- Results will be emailed directly to the applicant listed on the submitted request form.

### Fire Flow Test Fees

#### 2 Hydrant Meter Test

- \$140.00
- Payable by Cash or Check
- Payment must be made in advance. (Will not be invoiced)
- Unfortunately, no credit card payments will be accepted.

Contact North Port Utilities for more information.
