# Community Interest and Opinion Survey

## Executive Summary Report

---

### Overview and Methodology

ETC Institute conducted a Community Interest and Opinion Survey for the City of North Port during the summer of 2015 to help establish priorities for the future improvement of parks, recreation facilities, natural areas, programs and services within the community. The seven-page survey and cover letter were mailed to a random sample of 5,000 households in the City of North Port.

The goal was to complete a total of 500 surveys. This goal was met, with a total of 514 households completing the survey (a 10.3% response rate). The results for the sample of 514 households have a 95% level of confidence with a precision rate of at least +/- 4.3%.

### Major Findings

- **Household Use of Parks/Facilities and Ratings of Overall Condition:** Two-thirds (67%) of respondents indicated, over the past year, they have used visited a park or facility owned by the City of North Port. Of those who had visited parks and facilities, 31% *who had an opinion* rated the overall physical condition as “excellent”; 55% rated the condition as “good,” 12% gave a rating of “fair” and 2% “poor.”
- **Types of Facilities/Amenities Operated by the City That Households Have Visited:** Forty-nine percent (49%) of households that visited a North Park facility over the past year indicated they had used walking trails. Other facilities and amenities used include: playground equipment (46%), picnic shelters and areas (44%), natural areas (39%), dog parks (29%), and pavilions (27%).
- **THREE Facilities/Amenities Households Used or Visited Most Often:** Based of the sum of their top three choices, the facilities/amenities households used or visited most often was playground equipment (32%). ***Benchmarking Analysis***

## National Benchmarking

*Since 1998, Leisure Vision (a division of ETC Institute) has conducted household surveys for needs assessments, feasibility studies, customer satisfaction, fees and charges comparisons, and other parks and recreation issues in more than 700 communities in over 45 states across the country.*

The results of these surveys has provided an unparalleled database of information to compare responses from household residents in client communities to “National Averages” and therefore provide a unique tool to “assist organizations in better decision making.”

Communities within the database include a full-range of municipal and county governments from 20,000 in population through over 1 million in population. They include communities in warm weather climates and cold weather climates, mature communities and some of the fastest growing cities and counties in the country.

*“National Averages” have been developed for numerous strategically important parks and recreation planning and management issues* including: customer satisfaction and usage of parks and programs; methods for receiving marketing information; reasons that prevent members of households from using parks and recreation facilities more often; priority recreation programs, parks, facilities and trails to improve or develop; priority programming spaces to have in planned community centers and aquatic facilities; potential attendance for planned indoor community centers and outdoor aquatic centers; etc.

*To keep the benchmarking database current with changing trends,* Leisure Vision’s benchmarking database is updated on an annual basis.

*Results from household responses for the City of North Port were compared to National Benchmarks to gain further strategic information.* A summary of all tabular comparisons are shown on the following pages.

# North Port, Florida

## Importance-Unmet Needs Matrix

---

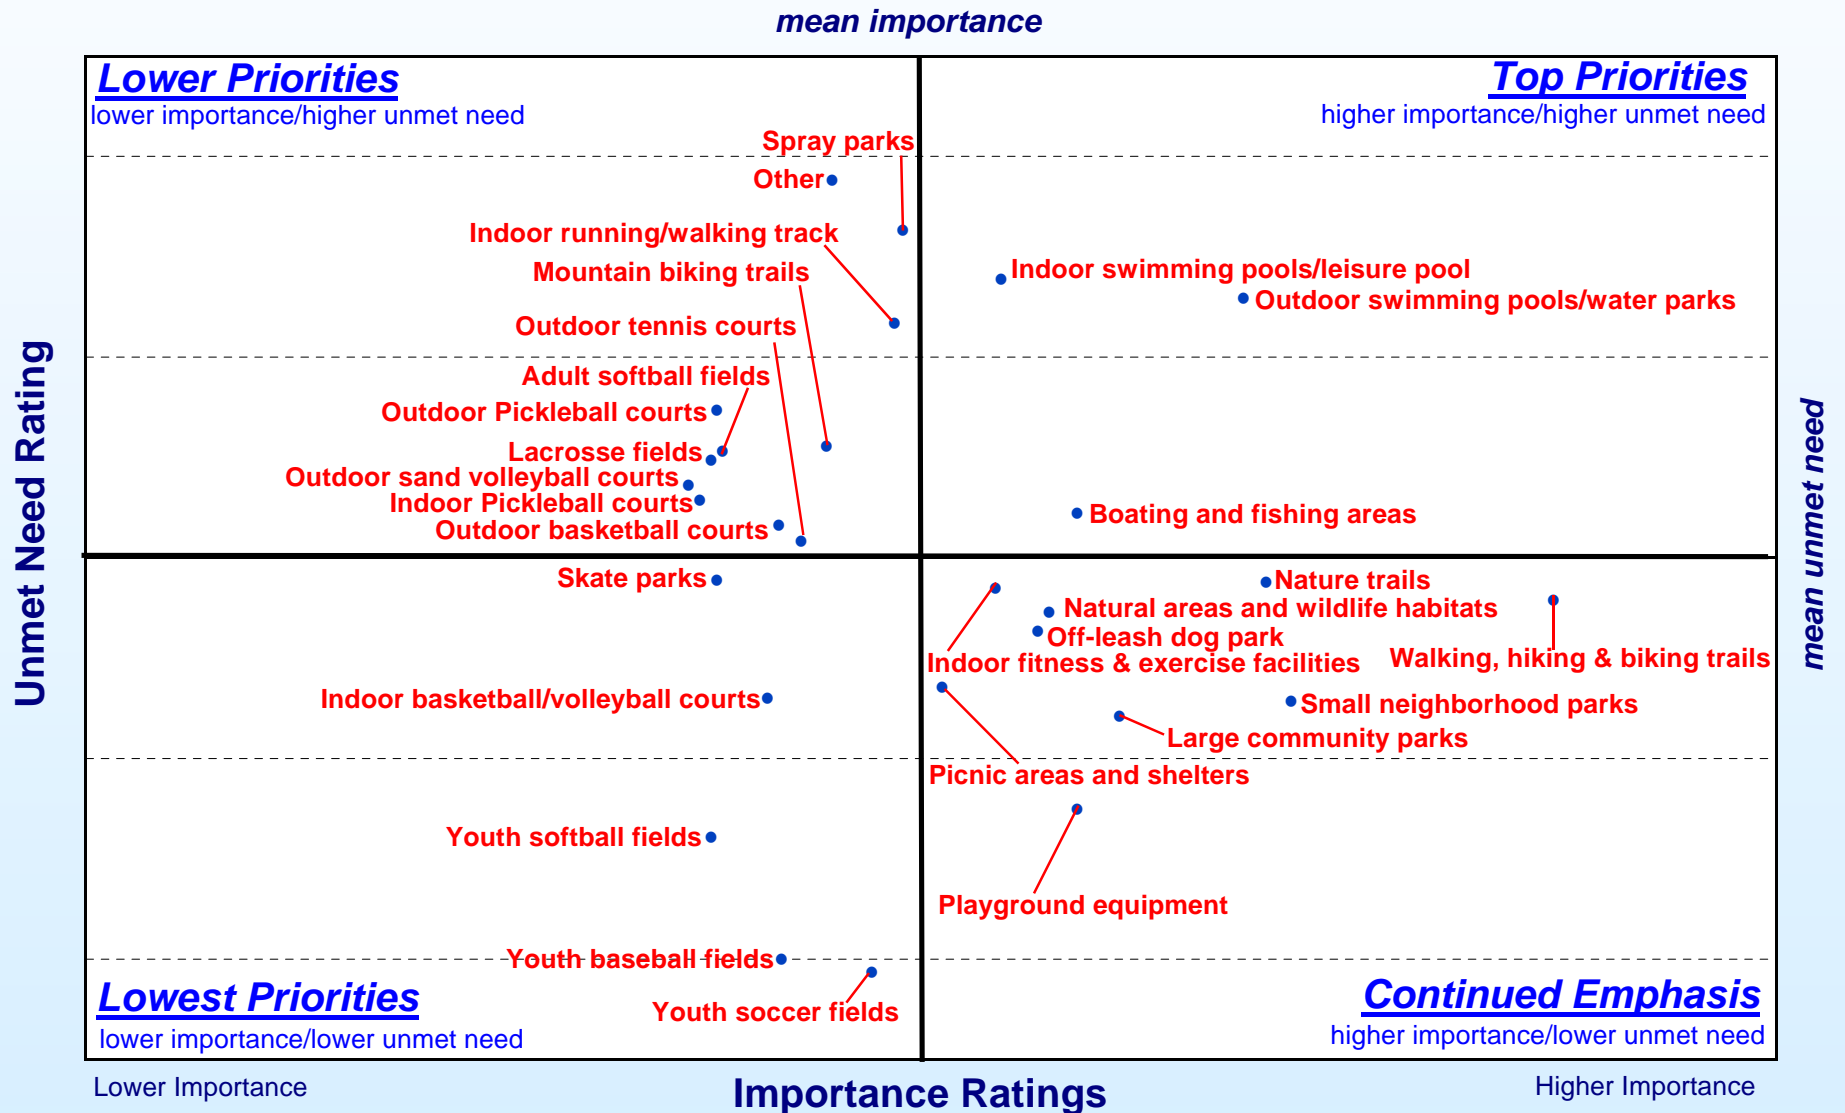

The Importance-Unmet Needs Matrix is a tool for assessing the priority that should be placed on parks and recreation facilities in North Port, based on results from the statistically valid citizen survey. Each of the parks and recreation facilities that were assessed on the survey were placed in one of the following four quadrants:

- **Top Priorities** (higher importance and higher unmet need.) Items in this quadrant should be given the highest priority for improvement. Respondents placed a high level of importance on these items, and the unmet need rating is high. Improvements to items in this quadrant will have positive benefits for the highest number of North Port residents having unmet needs in facilities that are of high importance.
- **Continued Emphasis** (higher importance and lower unmet need.) This quadrant shows where the City is doing an excellent job in providing facilities of higher importance resulting in unmet needs being lower. It is of great importance that continued emphasis be given to these facilities so that unmet needs do not increase.
- **Lower Priorities** (lower importance and higher unmet need.) Respondents placed a lower level of importance on these items, but the unmet need rating is relatively high. Items in this quadrant are often times indicative of facilities that are important to a smaller percentage of city respondents, with those respondents having a higher unmet need. A lower level of investment should occur in this quadrant than in either the Top Priorities or Continued Emphasis Quadrants.
- **Lowest Priorities** (lower importance and lower unmet need.) Items in this quadrant should receive the lowest priority for improvement. Respondents placed a lower level of importance on these items, and the unmet need rating is relatively low. This does not mean that no investments should occur for facilities in this quadrant, but the investments need to be proportional to the lower importance and lower unmet need.

The following page contains the Importance-Unmet Needs Matrix for all parks and recreation facilities that were assessed on the survey:

*Question 29 Comments*

---

## Overview

Respondents were given the opportunity to provide written comments to Question 29, *“Please share any additional comments that could assist North Port Parks and Recreation in improving parks, trails, open space, or recreational facilities and services.”* While the results in this section are not statistically valid, they provide useful insights for interpreting the reasons behind citizens’ survey responses. The results were recorded verbatim, so spelling and grammatical errors have not been corrected.

- The new trail at the end of Toledo Blade is great. We need to upgrade Warm Mineral Springs. The sign is from the 1960's. We could really get folks to go if it looked like this century!
- We would like a fire station in the South Estate area, better yard waste service/better road maintenance. Cut grass on roads. These are more important issues.
- Paved biking/walking trail needed(e.g. Legacy Trail).
- Shaded, cooler walking paths.
- Flooding is an issues as well as needing more horse trails.
- Need water stations along trails at new Toledo Blade nature park.
- Please have a water park open here at North Port.
- Enough money given to N Port through taxes. Make cut backs-don't increase our taxes more.
- More shady areas, water parks, places for dogs to play with water features.
- Improve what we have before you build anything new.
- Allow dogs in public parks. The park at the end of Toledo Blade doesn't allow dogs; however, there is feces all over the walking trails out there so ... should not be a problem to pick up after our dogs.
- Buy the golf course.
- Build amphitheater for music, add more neighborhood parks east of Salford.
- Don't forget the working people. Develop more after 5 pm programs and weekend programs including Sundays for adults.
- More access for dogs please!
- Soccer complexes are not large enough to accommodate tournaments.
- Any improvements would be welcome.
- Do not spend tax dollars on business ventures like Mineral Springs.
- I appreciate the time and effort of this study survey.
- Stop vicious dogs from going to dog park!
- Communicate programs better. DO things like festivals, shade and grass and dog park.
- Keep clean, keep natural beauty. Keep elderly/disabled in mind.
- Better communication for running/walking trails available. Bleachers open to public for workouts.
- Please make adult leagues announcements, newsletters available. New to area, don't know where to look.
- We have enough parks, need more sidewalks so kids are not walking in street.
- Open skate park more for kids, canoe and kayak put in and portages around flood control structures.
- We need some a1 nice restaurants. Time to build a hospital.

- Continue doing a great job. The youth are our future and making things for families to do is best investment. You guys rock.
- Remember these facilities are for the citizens of NP. Make their use simple, maybe a universal ID card for using rec center/facility,
- Please add a playground to Atwater park. Please purchase and make Sabal Trace a public golf course. Please operate Warm Mineral Springs and make it safe and more fun for kids and add a learning kiosk so people know what it is.
- Please don't raise my taxes. Place a fee on those who use the facilities.
- Maintain the parks and trails we have now and educate people on nature.
- The dog park is a sand pit without enough shade as well as too small.
- Doing a fine job.
- There is a need to focus on young people in North Port. We are a young community, and the focus needs to be on that, not retirement.
- We need a recreation facility near Chamberlain/Toldeo Blade. This end of the city has no parks/rec.
- We appreciate living in NP, we just don't utilize.
- This town has more parks/trails and rec facilities than needed, most are empty 90 % of the time. We need 2 good hotels near Rt 75, a movie theater, something like a Dave & Buster's.
- Signage for names of places/directions. Signage for parking.
- I have asked around for 2 years and have never heard of a community pool.
- Manage the funds correctly and have more activities for middle age citizens.
- Need sidewalks.
- Everything north of I 75 is substandard compared to south of I-75. Roads, parks, police, etc.
- We need media,TV/radio stations in NP to get the activities out to the people to know our community. Get the performing arts center on US 41 to be more like the Port Charlotte cultural center.
- A spraying water park would be awesome. My 3 year old will love it. And it will give us something free to do through the summer.
- Keep the parks/improve the parks and rec activities. They are the only affordable programs for youth. It keeps the kids entertained and out of trouble.
- Concession it out so don't have to pay benefits to city workers.
- Build an outdoor shooting range/archery range with a cost of 7 dollars a person. Offer gun safety courses and educational self defense.
- Please help in improving property values by who we target to live in NP. Maybe a class in How to mow your lawn, or Christmas lights are not a year round decoration.
- Plant more trees on roadways in addition to new neighborhood parks.
- Cleaner.
- Good restaurants/movie theater would make NP more desirable.
- I can only say that the activities we have done , we have been happy with outcome.
- It would be nice to have surrounding communities come to NP and spend \$ here to go to a park or event instead of us traveling to Venice, Sarasota, Port Charlotte, etc. to spend our \$ in their towns.
- Many older parks need upgrading and more usage. Maybe permanent grills.

- Please complete and expand the kayak blueways. Please add more paved bike trails. We need sidewalks for bikes in the estates.
- Please notice us folks east of Toledo Blade who have to go to Port Charlotte for everything!
- Love the fireworks. What happened to Water Slide day at the high school and the movies under the stars? More parks for tots.
- Having grandchildren, visiting parks is an important part of their visit.
- Develop and retain some good habitat areas before NP starts over developing. Good large parks are awesome.
- Employees take the attitude that they own the parks/facilities. My tax dollars paid for them.
- Property rights are important. Chickens, gardens and small livestock. How can I live without a way to feed my family?
- Improve Narramore softball fields.
- I think overall NP does a good job. A real pool is something needed since I moved here in 1989.
- Water access at parks. We don't have space to entertain at home and have enjoyed using parks until they changed the rules.
- Keep Warm Mineral Springs at a reasonable price for NP residents.
- Young adults need access to lighted facilities outdoors and access to better hours indoor for basketball. The need for another pool for adults is huge. The YMCA has very limited hours for working adults.
- Kids and family facilities. Especially on the east side of town, Toledo Blade area.
- Wish we knew what was around us. More stuff for children would be good.
- Money towards hanging baskets, planters, holiday decorations. See Kenosha Wisconsin Summer pics.
- Don't want to spend any money on this. If you have excess, give us tax payers a refund.
- Build facilities(pool, park) off interstate for easy access for future include hotels/gas station, fast food to bring in revenue to NP.
- We just moved into town. I really have no idea about what's happening in NP.
- NP offers so much more than other local areas, should focus on all the nature around us.
- More biking/hiking, kayak, dog parks, dance clubs (40 to 60), Warm Mineral Springs free to NP residents.
- Develop clear vision for Warm Mineral Springs. Explore possible purchase of Sabal Trace Golf course.
- Shade, we need to have shady parks that are comfortable and shady trails that one can walk/bike. Don't plant twigs. Develop parks/trails around existing canopy.
- Need additional things for younger teens to do and more funding for needs.
- Very excited with the new park with equestrian access and linking of the trails and improved maintenance of trails in Myakkahatchee Park.
- We enjoy going to the baseball field, the Senior center too.
- Would like to have a pool with diving boards and offer a diving team or class. More playgrounds and outdoor basketball courts in the 34288 area.
- City should regulate/supervise youth sport programs.
- We need to include more indoor facilities at parks to enjoy when it gets too hot.
- 40 year resident, keep them up.

- My friends and I are currently interested in dog training services. We enjoy activities with them, also wish there was a beach area for dogs to swim.
- Pool/splash pad on Sumter/Biscayne side of town.
- I fully support building some kind of splash park or water park.
- Make a street hockey rink and off leash dog parks.
- There are no sidewalks for walking or biking for those of us on the other side of 75. Continue trail already on Sumter to go out to Tropicare.
- A yearly family pass for use of all new and existing NP park/rec should be available for residents at a reasonable price.
- Please build a street hockey rink. It will be used.
- Very proud of our city and all they have to offer.
- We would love to see the city utilize land for an ATV park.
- It's vital to keep natural environmental areas for wildlife.
- we need a functional pool. I don't understand how we can be the largest city with least amenities. Preferably in a central location.
- Don't forget the older communities in western NP. Where children need amenities that are often unaffordable and your senior population. It's not all about the new development.
- Our family would love to have a clean outdoor pool and splash pad to play in, we currently drive to San Casa oyster creek pool in Englewood and have a year pass there.
- North Port has a great family/community feel to it. It needs to continue that feel. Keeping things for our youth and families to do together, growing the sense of community.
- Need a water park, activities for kids. Skating rink, bounce house.
- Need additional lighted sports facilities. Need more boating/fishing access/amenities.
- Students need after school and weekend, more to do in North Port. Teen age dance activities, water park, movie theater, skating rink.
- Used when younger.
- Roads are in bad shape if you are in a wheel chair. I have noticed you paved a lot off of Biseyn Blvd , hope Lovell rd. and Kenvill is next.
- Make golf course a public course.
- Love North Port, however I am a jazz musician, golfer /fisherman. Wife is artist and loves music programs/concerts, etc.
- Would love barriers to water at playgrounds, or fenced off playgrounds.
- Sabal Trace could be a major golf opportunity. Failing that, North Port needs an affordable municipal golf course. Big plus, marketing wise , for our city.
- Encourage support from private sector and do something about the rampant vandalism at parks, like a police patrol every hour after dark.
- I would like to see treed areas that have more picnic tables. Walking trails would be great especially along streams, lakes, ponds, rivers, etc.
- Need more things for children to do so children are not so bored.
- We have Warm Mineral Springs giving by nature and why neglect it? Do something about it
- Need water park like Naples and need outdoor trails with shade.
- I would love to do recreational sports with my child again but it costs too much money (t-ball, soccer, etc.).

- Do not buy a golf course!
- Try not to spend anymore.
- It would be nice if north end of Sumter had sidewalks improved and some vegetation removed.
- It would be nice to know locations of parks.
- Need adult athletic leagues.
- Go to Cape Gral sunsplash every summer. Great city operated venue. Would also like permanent restrooms at a camping site within the city. Cub Scout use.
- Need more activities for middle age people in the evenings, not morning and afternoon.
- Please keep Myakkahatchee an environmental park with no development other than improving the trails.
- More senior activities, respite care, caregiver support.
- Make sure all work is done by local contractors.
- North Port is up and coming, soon to be #1.
- Please allow us to walk our dogs in park. It is ridiculous to keep them out.
- Water parks are great, but art needs to be integrated more in the public.
- Decrease drug activity and increase safety for our children, please.
- Wish there was a water park closer to us.
- We love NP. Proud of the environmental emphasis, love the outdoors, etc. Keep up good work.
- Always check what type of park we need in the area to avoid building something no one uses.
- Restrooms at all outdoor parks/trails.
- City council should adopt a budget that funds parks/rec from the taxes we are already paying, or else allow private sector to fund parks.
- Make better effort to keep Morgan family center clean.
- A water park or water recreation area such as Atwater park is something we look forward to.
- Skate park is for skaters, not bikers. It's sad you all took that away from the skaters. The BMX bikers won't allow the skaters to skate.
- I know many young families that would love for area for water activities.
- We need more youth programs here, and more nature to enjoy.
- Trails/parks need more on leash pet friendly. Need to have Warm Springs completely Green wellness facility with yoga, drum circles, foods, spa. Need medium size dog area off leash park.
- Put some kind of cover/shade over windows in Mullen center. Clean floors at Mullen after youth babysitting.
- Upgrade and improve small neighborhood parks. Allow dog access at them with a fenced area, benches and shelter from elements. I live across from one that is seldom used, Improvements would bring more enjoyment of this park.
- Municipal golf course is needed.
- More opportunities for families with toddlers, i.e. wading pool with big pool, childcare during classes or better rates for family participation at fitness center.
- Clean our canals, remove exotic species, restore native habitat, prioritize natural areas.
- My biggest interest is in dog friendly walking hiking trails.
- When we have a group, we use Atwater park.
- Need more face to face town meeting on weekends or after 6 pm.

- Focus on improving existing parks for people, not dogs.
- We would love to explore more of North Port waterways. It would be great to have access to creeks/streams.
- Need map of navigable waterways for canoe and kayak.
- Stop ruining the natural habitats. Leave the natural space alone.
- Buy a golf course, municipal golf course.
- Don't waste money.
- I don't know of any paved walking trails in North Port area, not tennis courts or outdoor basketball courts.
- NP needs a draw for tourism, Warm Mineral springs only applies to a few. A water park would be a large draw.
- Taxes already too high.
- Water park.
- Have not had a lot of time to explore.
- would like to see more flea market, music, activities for family, on the weekend. Area for new splash pad too small.
- Use extra money to repair roads.
- Thank you for asking for input.
- We need more water activity and shaded areas.
- Pave all trails/sidewalks.
- More adult level entertainment
- Reducing funding for police/fire.
- Generally a good job. Sometimes dog park is dirty, unmowed.
- NP should not spend any money on Warm Mineral springs, purchase of Sable trace would be more use.
- Water park!
- Disapprove of millions spent on Warm Mineral Springs. We do not like it, will not use. Too far. My kids cannot get there without a car. Need to connect estates to rest of town via Sumter.
- Need more for teenagers to do.
- This applies to younger section with children.
- Dallas White park Number 1 park in North Port. Don't change this park. It has everything people need.
- North Port Huskies youth football needs a real home field, please.
- Would benefit from a community newsletter.
- Get out of the Warm Mineral Springs business.
- Would like to be able to support, but Social Security does not allow us much.
- Need a safe semi-truck parking, or allow to park by the house.
- It would be helpful if loudspeakers/microphones at the stadium and parks on Price Blvd are not so loud and if loud music was not played! We would appreciate some consideration when it comes to street loud noise levels.
- Small town, nice amenities.
- Table tennis at the Morgan Center.

- Since there are no gun ranges, many go out to the bad lands which is a danger, or have to travel to other cities.
- We need parks to walk our dogs, on or off leash. All parks now say no dogs!
- Leave Warm Mineral Springs alone.
- work schedule. We work for a living and have to park vehicles out of city limits.
- Provide transportation to walking/parks.
- Water park.
- Parks are safe, nice and clean.
- Free concerts, gazebo like Venice. Shops with walkways for browsing. Adult casino.
- Need more family oriented facilities, pools, water parks.
- Be open minded, having a will to improve our services.
- We really need more police in our area, rarely see them.
- Your demographics are out of line with your mission.
- Put some more money into the school districts for extracurricular activities. We have no school age children but believe that is important.
- Times for older adult activities are only scheduled in mornings, more older people work, cannot attend., also open waterways for more access by kayaks, canoes, crew activities.
- Add more shade to playground. Spray for mosquitos especially during rainy season.
- Bad weather closes pool almost daily in summer. No BMX in North Port. Have to go to Sarasota or Punta Gorda.
- Need to know if some activities are free, more info sent to public.
- Would like to see North Port the Sweet spot of Sarasota county by becoming more nature trail/camping fishing friendly. Expand with more nature, not homes.
- Please take care of wasps under the benches.
- Please upgrade and improve maintenance of the Pavilion.
- Would love to be able to use the city swimming pool, too expensive through the YMCA.
- More basketball courts indoors, racquetball.
- More bike trails, build a BMX bike park.
- Nowhere to ride off road vehicles. Need legal trails to ride.
- Please make trails for active citizens.
- Publicize more.
- Need fliers in mail/newsletter.
- More variety of modernized play equipment.
- Pay some attention to older areas of NP.
- Examples of good facilities for indoor rec are Troy, MI and Glendale AZ.
- Nice to see bike trail and a water park.
- Keep them clean.
- More advertisement of local facilities and parks.
- Build several splash parks so it won't be packed at one location. It's the best thing for kids in Florida.
- Pee-wee moto track, improve mountain bike trails ,bring in clay and keep groomed.
- Try to preserve as much of nature as possible.

- We need activities to do after 9pm for adults and for teens age 16-20.
- Put in a good water park.

*Get out, Get active, Get involved!*

Dear City of North Port Resident:

*Your response to the enclosed survey is extremely important...*

The City of North Port is developing a Parks and Recreation Master Plan that will consist of a comprehensive analysis of the entire City parks and recreation system and provide recommendations for the future delivery of services over the next ten years. Public input is crucial to the plan's development. In addition to public workshops, focus groups and citizen interviews, the City of North Port is also conducting a Community Interest and Opinion Survey to better understand our residents' priorities for parks, trails, natural areas, sports and recreation facilities, and programs and services within the community. Your household has been selected at random to receive this survey, so we hope that you will be able to participate.

*We appreciate your time...*

We realize that this survey will take approximately 15-20 minutes to complete, but each question is important. The time you invest in completing this survey will provide the City of North Port Parks and Recreation Division with significant information that will aid in recommendations for changes and improvements and positively affect the lives of its residents.

*Please complete and return your survey within the next two weeks...*

We have selected Leisure Vision/ETC Institute, an independent consulting company, as our partner to administer this survey. They will compile the data received and present the results to the City of North Port. **Your responses will remain confidential.** Please return your completed survey in the enclosed postage-paid envelope addressed to ETC Institute, 725 W. Frontier Circle, Olathe, KS 66061. If you would prefer to take the survey by web, the address is <https://goo.gl/5Ipum7>.

If you have any questions, please feel free to contact the Parks and Recreation Division at 941-429-PARK. The Community Interest and Opinion Survey is a tool that will benefit all residents. Please take this opportunity to let your voice be heard!

Sincerely,

Jonathan R. Lewis, ICMA-CM  
City Manager

**Comprehensive Community Needs Assessment Survey: *Let your voice be heard today!***

The City of North Port would like your input to help determine park and recreation priorities for our community. **This survey will take 15-20 minutes to complete.** When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope. We greatly appreciate your time.
