Camp Code of Conduct

The Parks & Recreation Department has established a Code of Conduct based on the guiding principles of respect, safety, behavior, and personal property. When addressing behavioral challenges with campers, staff will refer to the guidelines below when issuing Behavior Modifications and Strikes. Three Behavior Modifications is equivalent to One Strike. It is imperative for the parent/guardian/emergency contact to return our call within one hour. If a camper is a threat to themselves, staff, or another camper, we reserve the right to issue an immediate expulsion.

Behavior Modifications:

- Not following instructions
- Cell phone and/or electronics use
- Not respecting other campers, staff, or property of others
- Using profanity, offensive language, or name-calling
- Teasing or bullying

Strikes:

- Physical aggression
- Intentionally leaving assigned group or designated area
- Display of suggestive behavior
- Stealing
- Use of weapons or look-a-like weapons
- Use of tobacco, vaporizers or drugs

Parents must review the Code of Conduct with their child prior to the start of camp. Should a disciplinary problem arise, staff will first attempt to resolve the problem with the camper and provide clear explanations as to why the specific behavior is inappropriate and help him/her find alternative behavior that fits within the camp guidelines. Parents/guardians will be contacted if the problem affects the safety and well-being of another camper or staff member or if the problem cannot be resolved. In this case, a Three-Strike System for misbehavior is followed:

1. **First Strike:** Written warning with parent conference conducted and a one-day suspension from the program.
2. **Second Strike:** One day suspension from the program, removal from the next field trip (non-refundable), and a parent conference will be conducted.
3. **Third Strike:** Permanent expulsion from the remainder of camp (non-refundable).

New this year! We will be implementing a new reward-based system for positive behavior called “Camp Coins.” Campers will have the opportunity to earn special privileges and prizes when they go above and beyond to be an outstanding camper.

Bullying

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, long-term impacts. To be considered bullying, the behavior must be unwanted, aggressive, and include:

1. An Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
2. Repetition: Bullying behaviors happen more than once or have the potential to happen more than once. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

We are committed to providing a caring, friendly, and safe environment for all of our camp participants that allows them to interact in a relaxed and secure environment. North Port Parks & Recreation Department will not tolerate bullying behavior in our camps. If bullying does occur, all campers should be able to tell staff and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying is occurring is expected to tell a staff member. We are committed to addressing concerns that fall under bullying immediately and fairly, informing parents about bullying and disciplinary policies and stressing to all camp participants the importance of choosing respect when interacting with one another.

Communication

Please communicate any questions, comments, or concerns you may have to parks staff. Keeping open communication between parents/guardians and staff is key to a successful camp.

Parents/Guardians must inform the staff when:

- Household contact information should be updated (i.e. change in phone #, e-mail, address, etc.)
- Someone other than those listed on your child’s registration will be picking up your child. This information must be in writing and the designee will be asked to show valid identification.

- Your child cannot be picked up on time or your child will be late.
- If your child or member of the household is ill.

Parents/Guardians will be notified when:

- Your child is injured or ill.
- Your child is having disciplinary issues.
- Your child has any other issue or incident in camp that you need to be notified and informed of.

Daily Scoops

Each week, parents/guardians will receive a Daily Scoop email that outlines field trips, activities, and any important information relative to camp for the week. North Port Parks & Recreation secures an array of onsite presentations and activities to keep your camper engaged. Keep an eye on our social media platforms for weekly camp photos and wrap ups!

Reasonable Accommodations

Children of all abilities are invited to enroll in our summer camp programs. During registration, be sure to indicate if an accommodation is necessary for your child so we may contact you prior to camp to discuss reasonable accommodation.

Change of Emergency Contact Information

It is important that North Port Parks & Recreation maintains current and accurate records on each child so that parents can be contacted in case of an emergency. This information includes address, phone numbers, email and names of individuals authorized to pick up your child(ren). It is extremely important to the safety of your child(ren) that we be informed of changes. It is the responsibility of the parent/guardian to make any necessary updates if changes occur.

Camp Forms

- All forms are due at the time of registration.
- Forms are available at the Morgan Family Community Center, George Mullen Activity Center and online at www.northportfl.gov/camps
- Until required paperwork is received and processed, children will not be allowed to participate in the camp program.

Camp Refunds

Refunds for summer camp will be considered provided the request is received fourteen (14) days prior to the first day of the first week of camp, minus a \$25 cancellation fee. Pro-rated refunds for medical reasons will be considered based on the date the request is received if accompanied by written documentation from a doctor indicating that the individual is unable to participate in the program.
